About Us

HdL Companies has put cities, counties, and special districts on the path to achieving their financial goals for decades. Nationwide, our team provides tailored solutions that help public agencies become more efficient, diversify their revenue streams, and plan for economic success.

Revenue Management Services

Rest easy, we've got this.

Discovery, collections, audits, applications, renewals, payments, taxpayer support, software fees, mail handling and postage – Let HdL's experienced revenue management team handle all of these challenges for you so you can focus on other areas of strategic importance. HdL's Revenue Management Service will help you improve customer service through use of the latest technologies and best practices, increase revenues through business friendly education and compliance practices, and decrease cost of operations due to HdL's economies of scale.

Software Solutions

Empower your team and improve customer relations.

HdL is the most widely selected local tax software provider for good reason. Only HdL provides cost effective pricing, extensive municipal expertise, high quality customer support, elegant design, and focused dedication to our local government clients. With HdL, you'll enjoy client service without limits and powerful software without compromise. Don't settle for an Enterprise module when you can have the best.

Management Support Services

Municipal revenue experts at your service.

HdL is uniquely capable of lending a helping hand wherever it is needed. Support services are developed and implemented on a client-by-client basis, addressing even the most unique needs. Services like business process analysis, fee studies, code reviews, and temporary staffing are a few examples of how HdL can support your operations.

Software Support

Enjoy client service without limits.

We support you, not just our software. Our municipal expertise can assist you with business processes, best practices, legislative insight, fee studies and much more.
